- ◆ **Thursday August 1**  
Naidoc Day

## Lunch Orders

**Monday - Friday - Arola's Café Bakery**

## Uniform Shop

**Every Monday from 2.15pm**

Dear PPS Families,

Having reached the half way point for 2019, it's been a busy and productive semester for our school, and I am pleased with our overall progress and direction. As we go into the holiday period, I'm sure we will all use this time to rest and enjoy the break of school routine.

### Staffing Update Semester 2

A big congratulations to Mrs Kristy Jetta with her new employment opportunity. Mrs Jetta will be working for the Moorditj Youth Foundation Aboriginal Corporation as a family support officer in the early years program. Mrs Jetta has been our AIEO for a number of years and leaves big shoes to fill. A big thank you to her for her years of service and commitment to improving outcomes for students at Pingelly PS.

Monday was also the last day for Mr Paul Standish who after 12 months at Pingelly PS resigned from his position as chaplain. We wish Mr S and his family all the best with their next adventure.

Mrs Alyssa Lee will continue as our Kindergarten teacher for the remainder of 2019. Mrs Lee has done a tremendous job in the Kindergarten and I am very pleased that she will remain in Kindy for the rest of this year.

Mrs Holly Bassett will be returning in semester 2 for two days each week in the primary school. We are all very much looking forward to welcoming Mrs Bassett back.

### Classroom Happenings

Even with the term winding down, our junior primary classes have been very, very busy. Our Year 1s have been making great progress with their reading and this has been well supported by parents and community members through their assistance each morning. I had the recent pleasure of listening to a few Year 1 students read and really enjoyed seeing their reading skills developing nicely.

Every time I go into the Kindy and Pre-primary classrooms, I have a swarm of students rush at me with greetings and stories. Our most junior students have great tales of their day's adventures and the ups and downs of these. Across the 2 terms, our Kindy students have really settled well into their environment and have thrived in the rich, play-based program provided. I've loved seeing their confidence grow as they have made the classroom their own and their joy increase as they have discovered and learned new things.

### Semester 1 Reports

Semester 1 reports were sent home last Thursday. Just a reminder that formal parent / teacher interviews will be offered in week 3 next term, however any parents wishing to discuss their child's report with their class teacher earlier, are encouraged to do so. Information regarding parent / teacher meetings, times, schedules etc. will be provided early next term.

### Netball Program / Hockey Clinics

Our students have thoroughly enjoyed participating in netball lessons over the past 4 weeks with some amazing skill progression across this time. Thank you very much to Rheannon Turton, Sheree Blechynden, Jane Davis and Violet Winmar who have given their time and expertise.

We had the first of 2 Friday hockey clinics last week with students enjoying the activities and games. Thanks to Mr Rodney Johnson for bringing this program to our students.

A big thanks overall to the Pingelly netball and hockey community for providing these opportunities for our students and partnering with Pingelly PS.

## Winter Carnival

Pingelly PS did a wonderful job at the recent Winter Carnival giving their all across netball, soccer and football. Well done to our netball division 1 team who placed first for the day. Well done to our football and soccer teams who finished in 2<sup>nd</sup> and 4<sup>th</sup> place. It was another great effort from Pingelly PS, particularly as we had a large number of Year 3 students participating to make up teams. Thanks to all of our coaches and assistants on the day.

## Holidays

Before the school holidays commence, we will end our term with a free dress day and afternoon of games and activities. Information about this went home earlier in the week, however please contact your child's teacher if further information is needed.

Have a great school holiday break and enjoy the time resting and recuperating after another busy term.

Please remember that term 3 commences on Tuesday, 23<sup>rd</sup> July 2019 with the Monday a development day for all staff.

Take care,

Rob McArdle

Principal
