Dates to Remember

- ◆ **THURSDAY October 22**
Blast Cup T20 cricket
- ◆ **THURSDAY November 5**
Kindy/PP/Yr 1 transition day
- ◆ **FRIDAY November 6**
Kindy/PP assembly
- ◆ **FRIDAY November 20**
Interschool Swim Carnival

Welcome back for term 4

Things are moving very quickly so far this term and with plenty of activity the weeks are sure to fly by before the end of the year.

Thursday sees our year 4, 5 and 6 students participating in T20 Blast cricket competition at the Pingelly Oval with Brookton, Beverley and York. Good luck and enjoy the day.

Mrs Lee has made a start to our Super Starters Program running on Mondays for the next four weeks. We look forward to seeing our next crop of 2021 Kindies. A further transition day for Kindies, PP and Year 1 will take place on Thursday 5 November.

It was good to see everyone don a smile for our school photos on Tuesday and we look forward to seeing ourselves in print.

NAIDOC week is happening from the 9th to the 14th November. Students will be involved in activities to celebrate the week at school.

The Interschool Swimming Carnival is scheduled to take place at the Pingelly Swimming Pool in week six of term which has been held off over term 2 and 3 due to Covid-19 restrictions. We understand that the pool may be a little colder but I am sure there will be some keen participants.

We are pleased to secure the services of Mrs Amber Moulton to support classes and teachers in our endeavours towards production of our end of year concert. I am sure we will be in fine hands.

Mr Steel conducted PEAC testing on Tuesday with our year 4 students. Good luck to all students who took part.

Congratulations to all of our STRIVE Certificate winners and to all other students who have made an enthusiastic start to term 4. Remember stay positive and do your best always.

Mr Cowcher

PEAC

The Primary Extension and Challenge (PEAC) program is a part-time withdrawal program for upper primary school Year 5 and 6 students in public schools.

Identified students are selected to participate in differentiated programs offered in a range of delivery modes.

Delivery is by:

- regional based PEAC centres providing a series of specialist courses or programs

Programs focus on:

- social interaction with gifted and talented peers
- intellectual rigour and challenge
- pursuit of excellence
- development of higher order process skills
- in-depth investigations of real problems
- open-ended activities which encourage choice and negotiation
- opportunities to interact with practising experts
- students working at their own pace
- self/peer evaluation and reflection of performance

Blanket testing of all public school Year 4 students took place this week.

Welcome to the new era of cricket T20 Cricket Blast School Cup!

Based on the dynamic T20 format, Cricket Blast School Cup is fun, fast and action packed, developing skills students require to lead happy, healthy lives.

The recent success of the Big Bash Leagues has ignited a new passion for the game in children and families across Australia's diverse communities.

The T20 Cricket Blast School Cup aims to give students a taste of the action by involving them in small sided games with all the elements of T20 cricket.

The T20 Cricket Blast School Cup runs for approximately four hours, where students will play a minimum of four games. These games give everyone a chance to bat, bowl, field and wicket-keep for an equal amount of time.

The T20 Blast School Cup is a fun, safe and inclusive event, packed full of fun and entertainment.

Get down to the PRACC this Thursday 22nd at 10:00 am to watch some of Pingelly Primary School's finest Year 4 – 6 cricketers in action.

The school is currently having maintenance and repair work undertaken in the vicinity of the front office and along the bottom veranda. An area has been screened off. When visiting the school please take care to remain outside the screens and comply with the signage.

The student's in year 1 are very excited with the latest addition to their classroom.

Miss Gale has cleverly made use of an old box and transformed it into a mini theatre.

There will be lots of budding actors and puppeteers amongst the class in the next few weeks!

ABORIGINAL PLAYGROUP

- ◆ Every Wednesday
- ◆ 10 am - 12.00 pm
- ◆ until remainder of term.
- ◆ Kindy room.
- ◆ Children must be accompanied

Enquiries - Kristy Jetta 04 9823 3402
School - 9887 2000

Kindy/Pre Assembly

The Kindy/Pre assembly will now be held on **Friday November 6.**
Please adjust your calendars.

Interschool Swimming Carnival

The Interschool Swimming Carnival will be held at PINGELLY on Friday November 20.

The pool is reopening on November 1, so plenty of time to get some training in!

Hands up if you can help out on the day! - Call 9887 2000

BOOK WEEK is an annual event where we look at fabulous children's books and their authors and illustrators. This year the theme is "Curious Creatures, Wild Minds." This prompted us to use our imaginations to illustrate our own curious creatures.

Each class from K to Year 5/6 was asked to come up with a blueprint for their own 'Curious creature'. P - 6 students then drew their own creature using the brief.

There were some wonderful interpretations, full of colour and detail, and each with their own unique name. The students used whatever medium they chose. The kindy class chose collage, the pre-primaries edicol dye. Years 1 to 5/6 used a combination of textas, crayons, colouring pencils and ink pens. The results are fabulous.

Currently all of the artwork is on display in the library. Please drop in and have a look!

More photos of the artwork can be found on the pingellys Facebook page.
