Interschool Cross Country @Pingelly

Dear Parents, Carers and Community Members

We have had another eventful few weeks at Pingelly PS and the calendar continues to keep filling up!

We hosted our annual Cross Country event at the PRACC last Friday and I was most impressed by the determination and persistence that our students demonstrated to complete the course, as well as the level of encouragement and support that they gave each other. Thank you to those parents who attended to support each child over the line also!

On Monday, Ms Dodd, Mrs Charissa Parsons and myself had the privilege of attending the Dream and Lead Youth Conference with our student councillors. The event was held at the Convention Centre in Perth and was attended by hundreds of student leaders from across the state. Our students learnt about what constitutes good leadership and also learnt some important lessons about how to grow their own skills as leaders. Thank you to Mrs Parsons and Ms Dodd for their 'creative driving' in peak hour traffic and for getting our students home safely to Pingelly.

Just a reminder that the EARBUS will be on site tomorrow and will be conducting hearing checks with our students.

I'm looking forward to seeing many of you next Thursday as we come together as a community to walk through Pingelly in support of Reconciliation.

Until then, take care..Sam

WINNING FACTION

FALCONS	171
EAGLES	81
HAWKS	74

Congratulations to everyone involved in last Friday's Faction Cross-country. The glorious weather enticed lots of parents and spectators to come along and enjoy the event. A very high level of sportsmanship from all students was demonstrated throughout the day. There was some very exciting running amongst the competitors, with a special mention to Ava H who threw everything in to her race. After a brief recovery she was back encouraging and screaming for her team.

A highlight of the day was witnessing every child finish their race. That's a fantastic effort across the school.

Students in the first four placements will make up the team to represent Pingelly PS in the Interschool cross country to be held in Pingelly on June 11. Keep the date free!

Well done to FALCONS who won the team event with 171 points!

CHAPLAIN'S CHATTER

One of the most difficult things I have discovered in life is to pick yourself up after receiving a setback, especially if you have placed a lot of effort into that particular project in the first place. To face rejection and criticism can leave us feeling confused and frustrated. At some stage in our journey it can happen to most of us. During a setback, it's okay to feel hurt and despondent for a short period of time, however at some stage we probably need to accept and start over, hopefully a little wiser for the experience. I've heard it said that accepting we have failed is a key ingredient for future success because it can push us to work harder to prove to others that we can succeed. If we use a setback to motivate us, what we can achieve as a result, can be something quite special. So while it's never ideal to be told our efforts don't meet the expectation of others, please take it on the chin, dust yourself off and give it another go.

is always
stronger than
the setback*

Pingelly PS is proud to be involved in **National Reconciliation Week** by
gathering together on Thursday June 3 at 10am and walking through
the town to the Pingelly Recreation and Cultural Centre.

A short assembly will be conducted including an Acknowledgement of
Country, a song in Noongar language sung by our school choir and a
traditional Aboriginal dance will be performed by a local dance troupe.

Mr Malcolm Jetta will address the gathering, talking about the
significance of Reconciliation Week.

Morning tea for students, staff and community members will be served
after the assembly.

Following morning tea, students will engage in activities organised by
community groups.

We welcome all community members to this event.
