Kaya & Hello Parents, Carers & Community Members

I trust that you're all enjoying the warmth with the change of season and Spring upon us.

I wish to extend a sincere thank you to those of you who volunteered your time to make our Faction Carnival such a success. We have had some lovely feedback from community members who have said it was one of our best carnivals yet! I'm always impressed by the good sportsmanship, persistence and determination that our Pingelly kids show on the sporting field, and they certainly didn't disappoint on carnival day. I have never been in a school where so many students want to compete in the Open 800m...even some of our pre-primary children stepped up to compete!

Today, those of you who have students in years three or five will receive their NAPLAN results. If you have any questions with regards to interpreting the data, please make contact with the school and we will be happy to assist.

In conclusion, I wish to inform you that our School Chaplain, Doug McDowell, has made the decision to resign from his position as School Chaplain. On behalf of the Pingelly community, I would like to thank Doug for his efforts in supporting the emotional wellbeing of our students over the last 18 months.

Take care

Sam Goodlad

On Wednesday the 25<sup>th</sup> August 2021 our class had an opportunity to take a trip to the new Perth Museum Boola Bardip. When we arrived, we met Tom who was our guide for the Noongar experience. We learnt about the importance of storytelling and the different ways stories are shared through a range of cultural practices including sand, wooden carvings, digging sticks and tapping sticks. We also learnt about the Seven Sisters. After viewing the Ngalang Koort Boodja Wirn Gallery we went to the Wild Life gallery on the third floor and spent time discovering nature's diversity and the relationships between the people, plants and animals and how communities are working to protect and sustain these ecosystems. We smelt things, we felt things and looked at lots and lots of interesting ancient fossils, rare specimens and live creatures, it was so awesome! We then went to the Connections Gallery whilst still on the third floor and learnt about Western Australia's expansive landscape and the historical, geological, natural and cultural connections we have to other parts of Australia and to the rest of the world. There was so much to see and we ran out of time, but we did get to look at some of the other galleries including the Changes, Origins and the Stan Perron WA Treasures galleries before having to head home. My favourite parts were the glow in the dark rocks, the wild life, the dinosaurs, so many things! I loved our excursion to the museum and I can't wait to go again soon!

### AFL DRESS UP DAY

### LAST DAY OF SCHOOL

### COME TO SCHOOL DRESSED...

### IN YOUR FAVOURITE FOOTY COLOURS

Everyone is encouraged to come to school in  
footy colours or as their favourite player. :)

Pingelly Primary School  
P&C

Congratulations to  
Sheree Blechynden  
on her new role as P&C President.

The Constable Care Foundation team are visiting  
Pingelly Primary School  
on Monday 13 September  
to perform for Years K - 6.

Years 3, 4, 5 & 6 will watch 'Frenemies' at 10.50am  
K, P Year 1 & Year 2 will watch 'Fun Scary' at 11.45am

More great entertainment for our lucky students.

### Year 2/3 visit the Art Studio Gallery

Last week the 2/3 class walked in convoy down to the art gallery with their art supplies. They were on their way to participate in a sculpture lesson, making animals from alfoil, paper towel and glue.

Rhjay and Lilah-Belle explained the procedure ; The students made an animal shape by scrunching up alfoil. They then covered the foil with sticky tape and glue. Small pieces of paper towel were stuck on to the shape until it was well covered. This was followed by a final coat of glue. The shapes have been drying for the past week. Once dry they will be painted.

A big thank you to Di from the Gallery and the helpers who accompanied and assisted the Year 2/3 class.

Entwined snakes and a parrot during the drying process.  
Once dry, the animals will be painted.

**THANK YOU** to Kelli, Mandy and Leanne for helping out in Breakfast Club on Tuesday, Wednesday and Thursday each week.

The ladies have provided a great range of dishes for the very appreciative students, each morning.

## ABSENCES

If your child is unable to attend school, can you please text the school - 0437 884 982 on the day and advise the front office.

This alleviates the need for further follow-up.

Thank you.
