Dear Parents, Carers & Community Members

Welcome back!

With the holidays now a distant memory we are well and truly immersed in our teaching and learning programs and extra-curricular activities.

Term four is shaping up to be our busiest term yet, so it's important that your children attend school every day. Mr Cowcher has organised an **Inflatable Fun Day** for the end of term. Students who have maintained a high standard of attendance and behaviour will be invited to participate, and I would like to see every Pingelly student have the opportunity to attend.

As the weather begins to warm up, we see ourselves coming into snake season. On Thursday 2 December, students will be attending a snake awareness session at the PRACC where they will learn more about snakes, how to stay safe and how to apply first aid if required. A big thank you to Mrs Turton for organising!

Please also ensure as the days heat up that your children have a hat and a water bottle at school every day.

I would like to raise your awareness of a new series that Netflix has released. It is rated M15+ however I'm led to believe that many primary aged children are watching it. The series is titled Squid Game and it tells the story of debt-ridden people competing for a huge cash prize in a deadly series of children's games. I urge you to monitor what your children are watching as this is one series that is not appropriate for young minds.

Finally, I would like to thank Mr Cowcher and Kauri Edmonds for painting and mounting our new playground blackboards. They are very popular and see our students enjoying the opportunity to artistically express themselves!

Take care

Sam Goodlad

Year 5/6 Bush Walk

On Tuesday the 19th the year 5/6 boys went to Dryandra bush. We got there and lit a fire ready to cook damper. Then when we had the fire going we saw a potoroo. Brock was walking to the toilet when he saw the potoroo and jumped in fear. After that we went on a trail and learnt about how people laid the train track there. We came back and made some damper mixture ready to put on a stick or rap in alfoil. Jack started to cook sausages as some of us put up a tent and played cricket. As we had our lunch some of us went and had a look at an old tank stand. After that we went and had a look at the other camp site. At that camp site we saw from the bus all of the teepees that people from the past have made. We couldn't get out of the bus because it was raining heavily.

Everyone had a great day. Many thanks to Mr Cowcher and Mr Carter for accompanying us.

Samuel Parsons.

Year 5/6 Girls CWA Friendship Day

On Tuesday 19 of October the year 5/6 girls went to Pumphreys Bridge for the CWA girls friendship day.

To start off the day we drove about ten minutes to Pumphreys Bridge. As we walked in, we were welcomed by the CWA women. We had four activities that had been planned out for us to do. We were placed into groups and given our first activity.

There was Christmas card making, friendship, bracelet making, cooking scones and cup cake decorating. After finishing all the activities we had lunch - sausages in a bun. Once we had finished eating, the ladies came around with a bowl of numbers. They would call out a number and if it was your number you could go pick a present. The presents were bath bombs, bath salts and moisturiser.

A great day was had by all. A big thank you to Miss Dodd, Mr Cowcher for driving the bus and the lovely Pumphreys Bridge CWA ladies.
