Kaya Parents, Carers & Community Members

There's been quite a bit of water under the bridge (literally) since our last newsletter with Pingelly PS students celebrating some great successes already this term. The 22 October saw our senior students attend the T20 Cricket Carnival in Beverley. As always, our kids had the largest cheer squad (thanks mums & dads) and didn't disappoint with their display of good sportsmanship and impressive skills. We were successful in winning both the Girls & Boys flags on the day. Go Pingelly!

Our choir also continues to astound audiences with their sensational singing and disciplined performances. Recently, they performed with the Community Choir at the PRACC to an audience of over 100, which was followed by a performance at the Margaret Cotton Festival in Hyden last Friday. Mrs Cotton herself was present and was so impressed by our choir that she has requested that we host the Festival in Pingelly next year! Congratulations and a HUGE thank you to Mrs Moulton & Mrs Jennings for their efforts with both the Community Choir and School Choir. These ladies are bringing our community together through the power of music!

Finally, I would like to acknowledge two of our year six students who were selected to sit the testing for the Vi Barham Award for Excellence. The Vi Barham Award is a prestigious award that is presented to one year six student from throughout the Wheatbelt region who demonstrates a high level of academic excellence and participation in co-curricular activities including sport, art, music, drama or community events. It is an absolute honour to be selected to sit the test and I wish to congratulate Imogen Watts and Annalyce Page on their nomination. Both girls performed very well, with Annalyce making it to the interview stage of the process. I have the privilege of joining Annalyce and her family at the Presentation Luncheon this Friday and I wish her every success for the day.

Here's to the remaining five weeks of term being as successful as the first five!

Take care, Sam Goodlad

The enthusiastic supporters and the successful Boys and Girls teams at the recent T20 cricket carnival.

Margaret Cotton Festival 2021

On Friday the 5th of November, 34 of our choir kids, along with Mrs Jennings, Mr Cowcher and myself, travelled to Hyden, to take part in the Margaret Cotton Performing Arts Festival. With a few pale faces and many hungry tummies after such a long bus ride, the choir battled on and proudly sang P!nk's "What About Us", relating the political lyrics to reflect on the pandemics impact on the school community.

Pingelly Primary's choir was by far the largest, as made obvious by the gasps and "oh wows", as we squeezed them all onto the stage!

Pingelly PS was one of six schools to perform on the day and were an absolute stand out, with Mrs Cotton seeking me out to commend us on our well disciplined and talented group. She even went so far as to giving me her contacts so as to be kept informed of future performances. How amazing!

We finished the day with a quick visit to Wave Rock. There was lots of laughter and fun, the surf was well and truly up!

So much hard work by so many. I am thankful for all of the support and encouragement from Mrs Jennings, the parents, Ms Goodlad, Mr Cowcher and all of the staff at Pingelly Primary School.

But it's not over yet!! This Thursday our years 1-4 choir members will perform (without our 5/6 campers) at Remembrance Day at Memorial Park from 10:40am. They will be joined once again by our All Ages Choir and we would appreciate your support on this significant day.

Well done Pingelly Primary School Choir. What great heights you can achieve together!

Mrs Moulton.

Adjudicator Feedback

School: Pingelly Primary School

Items: 'What About Us'

Comments: Girls and Boys and Teachers from Pingelly

a big welcome to the Festival today

Thank you for standing so beautifully and
preparing for your performance

You look fabulous in your school uniforms

What a delightful beginning to this song -

so sensitive.

You then transitioned to more upbeat section -

well controlled. Dynamics - loud & soft -

well observed.

Some lovely long notes -

all moving in time

You certainly have delivered your message to
us very clearly -

What a well disciplined group - attentive choir

Wonderful ending

Thank you for performing for us today

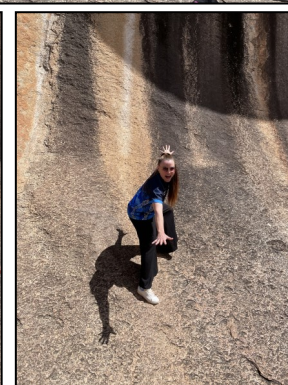

An excellent performance

Margaret Cotton

Congratulations

5th November 2021

YEAR 2/3 SAY NO TO PLASTIC!

Year 2/3 Assembly—Week 3

The year 2/3 class demonstrated to everyone what the risk that plastic is to the living world. They entertained us by singing.

"I'm an animal in a rubbish world, Life in plastic, Not Fantastic!"

In writing we have been learning about plastic and we have noticed that the plastic is ruining our earth. When we grow up we are going to help the world be a better place.

The WA Maritime Museum

Do your kids love LEGO? From the watery depths! Discover these stories of extraordinary shipwrecks, revealed in incredible LEGO® model detail.

Ryan "The Brickman" McNaught, working with expert maritime archaeologists, brings to life these astonishing shipwrecks and their stories in this immersive exhibition.

Featuring large-scale LEGO® models of ships such as Western Australia's famous *Batavia*, the "unsinkable" *Titanic*, the highly decorated *Vasa* and the ill-fated *Terror* and *Erebus*. Come and uncover the stories of the voyages, life aboard the ships, their watery demise and the shipwreck detectives who locate and document the wrecks.

The Brickwrecks exhibition is a fantastic experience that your kids will be sure to remember!
