MON - FRI - Arola's Café Bakery
9860 6808

P&C Uniform Shop

Tuesdays from 9am - 11am
Top veranda near Rm 14

Dear Parents & Carers

I want to start by welcoming our new families and re-assure you that your children are in good hands here at Pingelly Primary School. We are committed to developing strong partnerships with our families to ensure that the social, emotional and academic needs of each and every student are met. I would also like to officially welcome Mrs Christina Antonie who is teaching our year 2/3 class and Mrs Kellie Shaw who is working alongside Mr Cowcher in the role of Deputy Principal.

With COVID lurking we are living in very uncertain times. Operating guidelines for school are changing rapidly so I urge you to keep abreast of these changes by monitoring See-Saw, the Pingelly PS Facebook page and checking your child's bag for any notes that may come home. Despite the challenges of COVID, we will continue to provide our students with a high quality individualised education program.

Take care & stay safe

Sam Goodlad

Principal

**UNIFORM SHOP
OPEN**

The P&C uniform shop will be open every
Tuesday from 9am to sell uniforms and take orders.

The shop is located on the top veranda, next to Room 14.

You are permitted to attend the uniform shop, but please adhere to the WA Government mask wearing mandates, and physically distance from other adults.

There is a SafeWA QR code outside of the front office door, where you can scan in.

Can you please, also sign in inside the front office for school record purposes.

Thank you for your understanding as we take the necessary steps to keep our school safe and open for learning.

Please make Mrs Kelly Shaw and Mrs Christina Antonie very welcome to our school.

I am very excited to be joining the amazing school community at Pingelly Primary School. I farm with my husband, Andrew, west of Beverley and have three daughters at school or university in Perth. I have been an educator for 25 years and am passionate about providing a robust, inclusive curriculum along with a safe place for students to grow, develop and prosper. I look forward to meeting you all and working together to achieve the best possible outcomes for your child.

I have been teaching for over 15 years. I have taught at a few local wheatbelt schools and in the Pilbara and Kimberly area. I have 4 adult daughters and one gorgeous 18 month old grandson. I travel each day from my family home in Wickepin.

Head Councillors & Student Leaders 2022 with Ms Goodlad
