Dear Parents and Carers

As Term 2 draws to a close I would like to thank everyone for the continued efforts and support that has been demonstrated throughout the COVID-19 pandemic. Our school community has shown great compassion and empathy to others during this extraordinary time. Parents and carers, students and staff assisted to work together so that we could continue to provide the best education possible under the circumstances, whilst adapting to changes.

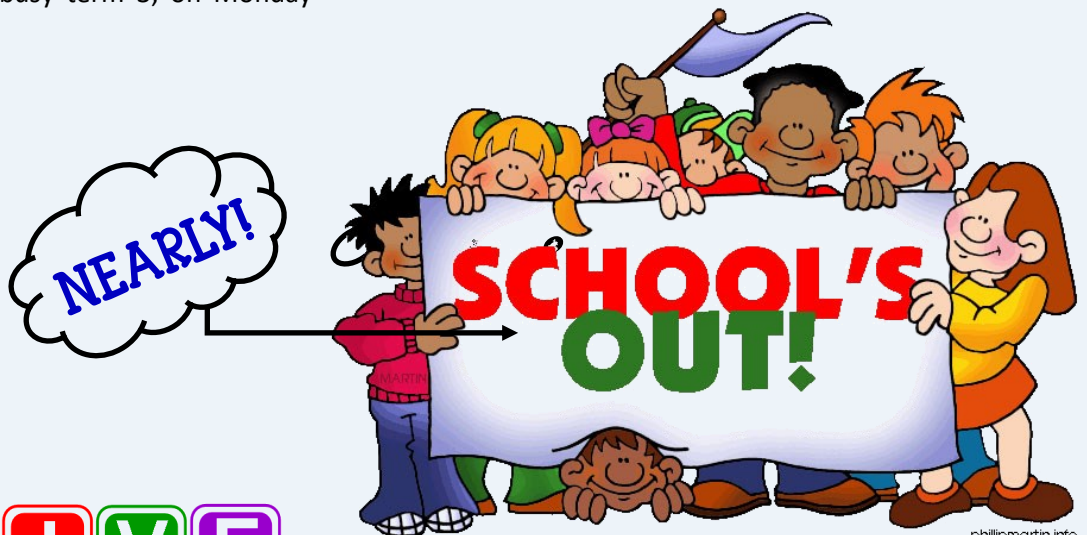

School reports will be distributed to all students from Pre Primary to Year 6 today. (Kindergarten students will receive their school reports tomorrow.)

I would encourage all parents and carers to sit down with their children and discuss their reports with them. Throughout the conversation with your child, remember to look for the positives: your child's strengths and the progress they're making. Talk about what might help them in areas they're doing well in, as well as those they are finding challenging. Don't forget to praise your child for the effort they put into their work.

I would like to wish all students and their families a very safe and relaxing holiday. Come back, refreshed and ready for a very exciting and busy term 3, on Monday July 18.

Take care

Sam Goodlad  
Principal

## A note from our Deputy Principal, Mrs Shaw

Term Two has been a busy term filled with lots of learning, playing, competing, participating and cooperating. Our students have been demonstrating so many of our STRIVE values and through the many varied activities on offer, have had the opportunity to develop and strengthen these values.

### Uniforms:

Thank you to our families for supporting our uniform policy. It has been wonderful to look out at the sea of blue and see students wearing our colours with pride.

### Nature Playground:

It is with great excitement that I share the news that we have received the initial concept sketch for our nature playground from Nature Play Solutions. In due course, we will open up the plan for public comment and hopefully get the ball rolling as soon as possible.

### Winter Carnival:

Congratulations to our students who participated in the Winter Carnival on Friday 17<sup>th</sup> June. From all reports, our students showed great sportsmanship and played very well. These carnivals could not go ahead without the wonderful support of our parent helpers, P & C and the Pingelly Shire. Thank you all so much and congratulations to Mrs Mills for another wonderful event. Next term we look forward to the faction and interschool athletics carnivals.

### PEAC testing:

Early in term three, our year four students will have the opportunity to sit the Primary Extensions and Challenge [PEAC] testing. Primary Extension and Challenge (PEAC) is a part time supplementary program for students in Years 5 and 6. The testing consists of Verbal and Mathematical Reasoning. More information will be sent home to our year four families at the start of term.

### Blue Light Disco

Don't forget to bring your dance moves this Friday at 1.30pm when we dance away the term. Thank you to Cheryl from the local police for organising.

### Happy Holidays

Wishing all of our Pingelly families a happy and relaxing July holidays. May there be just the right balance of rain and sunshine for our farmers.

Mrs Shaw

## WELL DONE TO THE INTERSCHOOL CARNIVAL TEAMS....

...who participated in the winter carnival held in Pingelly on June 17.

Three teams representing Pingelly PS (soccer, football and netball) competed against teams from York, Beverley and Brookton through the day.

Although the weather was cool and damp, everyone had a fantastic time and demonstrated outstanding sportsmanship.

Thankyou to Ms Dodd, Mr Blechynden,  
Mr Macnamara, Miss Donnison,  
Mrs Miller, Declan, Mrs Hodges,  
Mrs Parsons and Mrs Watts for all  
your guidance and assistance.

**Nutrien**  
Ag Solutions™

**westcoastpoly**  
COMPLETE TANK SOLUTIONS

A **HUGE THANK YOU** to **Nutrien Ag Solutions** and **West Coast Poly** for bringing West Coast Eagles champion, Josh Kennedy to Pingelly PS last week.

Chad Southcott, representing West Coast Poly, accompanied Josh to Pingelly, where Josh met with the students and staff. He spent time speaking to everyone about his sporting life and achievements. He also answered students' questions. It was a wonderful opportunity for students to meet and listen to a real life sporting legend.

Anthony Sewell, from Nutrien Ag Solutions and his team, Kari Moulton, Jacob Sounness and Bailey Parsons supplied and cooked a sausage sizzle lunch for all of the students and staff.

Thank you everyone, for your collaboration with our school.

Many thanks to everyone who supported the Scholastic Book Fair, which was held in the school library recently.

An amazing amount of \$3085.00 was taken over the 3 days of the fair.

With the commission received, the library was able to choose \$925.00 worth of free books for our shelves.

The generous support of parents, carers, staff and community members was incredible.

THANK YOU

## GOLDSTIX HOCKEY

Goldstix will start from week 1, term 3 for all Primary School children.

Starting 4pm Friday 22nd July @ PRACC.

Any questions call Mark Sewell on 0419 939 056

Please note that the Faction Athletics Carnival will be held on Friday 19th August.

The Interschool Athletics Carnival will be held on Friday 9th September at York.

A reminder that school reports will be going home today. Please check your child's/children's bags when they get home from school.

The Year 3/4 class are super excited about the possibility of appearing on the GWN School Weather Wall in term 3.

The class has been given 3 possible dates when they may appear, but keep your eyes glued every night. You won't want to miss it!!

Hopefully we will be informed of the dates, but GWN School weather reports are made available on YouTube after the event, for those who may have missed it.
