Kaya Parents & Carers,

Welcome to week 5, it's hard to believe that we are already halfway through Term 2. The beginning of Term 2 has been busy, and the remainder won't be much quieter! There are a few staffing changes for the remainder of this term. Noel Cowcher & Jane Mills are out on Long Service Leave & we welcome Ms Kristy Hodgson into the Year 2/3 classroom, who will be taking over for Mrs Mills. Mr Cowcher's leave will be covered internally by Mrs Moulton & Mrs Overington .

I would like to take this opportunity to say a thanks to our hard working School council, who work behind the scenes for the greater good of our school. Our next meeting is coming up on the 15th June & I would encourage parents/caregivers & community members to make contact with our school council members should you wish to share your perspective on a school related matter.

Great news! We have received approval from the Department for the construction of our Nature Playground so will be calling on community support to assist with earthworks and the construction of the playground. Thank you to the P&C for all their efforts with fundraising ...without the support of the P&C and our community we would not have been able to make this dream become a reality.

Take Care,

Sam Goodlad - Principal PPS

Today, Wednesday 24th May, schools all around Australia are reading the same book at the same time. This year the chosen book was, The Speedy Sloth. Our very talented Music & Drama teacher Mrs Moulton & the fabulous year 3/4 class acted out the story so entrancingly!

# BUNNINGS warehouse

On Wednesday the 17th May, the Year 3/4 class were very lucky to have Vicky from Bunnings Armadale visit their class. The students were able to channel their inner creativity side and enjoyed hammering, gluing and decorating their own masterpiece cases. Thanks for making the trip out to see us!
