Last day for Students for 2025!

Kaya, Hello Pingelly families,

It's hard to believe we are already halfway through Term 4 and the end of the school year is fast approaching!

CLASSES 2026: This week, admin is finalising class allocations for 2026. Class lists will be shared with families in Week 7 via Seesaw. Class structures are shaped around anticipated student numbers and funding allocations based on the student-centred funding model. We then carefully balance academic, social and emotional needs to create well-supported learning environments for all students.

ATTENDANCE & REPORTING: As we move towards the end of the year, we ask that families continue prioritising school attendance. Teachers are currently finalising end-of-year assessments and reports, and consistent attendance ensures that student achievement can be accurately and fairly reflected.

Reports will look slightly different this year. They will include:

- A grade for each curriculum strand and sub-strand, providing a clearer picture of strengths and areas requiring further support
- An overall comment reflecting student attitude, behaviour, engagement and attendance

THANK YOU: A huge thank you to our amazing P&C for transforming the school into a spooky and exciting space for the Halloween Disco! The atmosphere was brilliant, and students and staff had a fantastic time. We now look forward to the Colour Run on Friday 28 November, marking the completion of our Walkathon. This important initiative supports fundraising and awareness for burns prevention, education and research alongside the Fiona Wood Foundation.

RECENT HIGHLIGHTS: It has been a busy and exciting few weeks at Pingelly PS! Some standout moments include:

- Super Starters Kindy orientation
- Year 5/6 Shark Tank Assembly (Where can I buy those glass wipers?)
- Choir participation in Senior Week
- Year 5/6 Bingo afternoon with the seniors
- Year 1/2 class excursion

WELCOME: We warmly welcome Mr Cameron Samuels, who has joined our Year 1/2 class. Unfortunately, Ms van Rooyen will be on medical leave for the remainder of the term, and we wish her a smooth recovery.

As we reach the midpoint of term 4, classrooms are full of learning, rehearsals, and end-of-year preparations. The weather may still be unpredictable, but the sparkle of Christmas cheer is beginning to appear across the school.

Thank you for your continued support and partnership, and for encouraging regular attendance. Every school day counts.

Warm regards,
Claire Adams Principal

NYINGARN - KINDY CLASS

WHAT WE'VE BEEN UP TO LATELY ...

Outdoor Classroom experiences offer kindergarten children rich opportunities to learn through movement, exploration, and play. Being outside supports their physical development as they climb, balance, dig, run, and build strength and coordination in natural ways. It also nurtures curiosity and problem-solving as children investigate plants, insects, weather, and natural materials. Social skills grow as they collaborate, negotiate roles, and work together on shared challenges. Time outdoors can also enhance wellbeing by reducing stress, supporting self-regulation, and giving children space to feel calm and connected to nature.

We have loved our outdoor learning, and have appreciated our parents who have been able to come in and help us. Some highlights for us have been exploring more and less through bean bag tossing, making wind catchers, our balloon rocket races, following and describing a sequence to make and decorate sandcastles, completing surveys, making kites, making and testing boats, and parachute games.

DJIDI DJIDI - PP/YR 1 CLASS

WHAT WE'VE BEEN UP TO LATELY ...

Term 4 has flown by and we've been having lots of fun in PP/1. The students have been working hard to finish the year off and prepare themselves for Year 1 and 2. The Year 1's have been joining the big school each day for recess and lunch whilst the Pre Primary's have just started visiting the big school on non-kindergarten days. They have been very brave and loved joining the big kids.

The students have been practising very hard for our end of year concert item 'Grease' and our end of year cluster celebration. Information will be going home on SeeSaw soon over concert costumes and end of year celebration information.

We have been working hard focusing on our new sounds, reading, writing, and our persuasive writing skills. Messy Play Fridays are a big hit for Friday Fundays now, the students are enjoying engaging in sensory and fine motor activities.

As we come into December, we will be doing lots of fun Christmas activities including Christmas themed breakfast club in class, arts and craft and much more, please feel free to reach out if you are able to help and would like to join in on our class Christmas fun. We may even have a visit from a cheeky elf and the big man in red!

PETER PAN

Neverland sprang to life on the weekend of the 8th with the pantomime extravaganza Peter Pan, brought to the stage by the Brookton Performing Arts and Pingelly Community Choir. Tristan, Belle, and Summer shone in the lead roles, while Emma, Tate, and Keziah added sparkle in their supporting parts. Audiences were swept away on a whirlwind of adventure, laughter, and just a sprinkle of fairy dust. The cast's energy lit up the stage, and the performers transformed a beloved tale into a true community celebration.
